

**Directions:** This worksheet can be used as a tool to gather information for the annual school survey, which is sent out during the first part of October. This worksheet is meant to be used as aid to gather information; it is not mandatory and does not need to be submitted to the health department. Beginning with the 2015-2016 school survey, we will be gathering exemptions by vaccine.

Name of School:	
-----------------	--

Grade:	<b>Kindergarten</b>		
Number of Kids Enrolled:			
Number of Kids with No Record:			
<b>Total Number <u>Kindergartners</u> Exempt from <i>any</i> Vaccine by Exemption Type*</b>			
<b># Medical</b>	<b># Philosophical</b>	<b># Moral</b>	<b># Religious</b>

\*CDC requires that the total number of kindergartners that are exempt from any vaccine by exemption type be reported. Students only need to be counted once regardless of how many vaccines they are exempt from. This data does not need to be reported for any other grades.

Grade:		<b>Kindergarten</b>				
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
<b>DTaP</b>						
<b>Polio</b>						
<b>Hepatitis B</b>						
<b>MMR</b>						
<b>Chickenpox</b>						

Grade: <b>First</b>						
Number of Kids Enrolled:						
Number of Kids with No Record:						
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
DTaP						
Polio						
Hepatitis B						
MMR						
Chickenpox						

Grade: <b>Second</b>						
Number of Kids Enrolled:						
Number of Kids with No Record:						
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
DTaP						
Polio						
Hepatitis B						
MMR						
Chickenpox						

Grade:		<b>Third</b>				
Number of Kids Enrolled:						
Number of Kids with No Record:						
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
DTaP						
Polio						
Hepatitis B						
MMR						
Chickenpox						

Grade:		<b>Fourth</b>				
Number of Kids Enrolled:						
Number of Kids with No Record:						
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
DTaP						
Polio						
Hepatitis B						
MMR						
Chickenpox						

Grade:		<b>Fifth</b>				
Number of Kids Enrolled:						
Number of Kids with No Record:						
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
<b>DTaP</b>						
<b>Polio</b>						
<b>Hepatitis B</b>						
<b>MMR</b>						
<b>Chickenpox</b>						

Grade:		<b>Sixth</b>				
Number of Kids Enrolled:						
Number of Kids with No Record:						
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
<b>DTaP</b>						
<b>Polio</b>						
<b>Hepatitis B</b>						
<b>MMR</b>						
<b>Chickenpox</b>						
<b>Tdap</b>						
<b>Meningococcal</b>						

Grade:		<b>Seventh</b>				
Number of Kids Enrolled:						
Number of Kids with No Record:						
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
<b>DTaP</b>						
<b>Polio</b>						
<b>Hepatitis B</b>						
<b>MMR</b>						
<b>Chickenpox</b>						
<b>Tdap</b>						
<b>Meningococcal</b>						

Grade:		<b>Eighth</b>				
Number of Kids Enrolled:						
Number of Kids with No Record:						
Vaccine	Up-to-date	Medical Exemption	Religious Exemption	Philosophical Exemption	Moral Exemption	History of Disease
<b>DTaP</b>						
<b>Polio</b>						
<b>Hepatitis B</b>						
<b>MMR</b>						
<b>Chickenpox</b>						
<b>Tdap</b>						
<b>Meningococcal</b>						

Grade:		<b>Ninth</b>				
Number of Kids Enrolled:						
Number of Kids with No Record:
